WHAT OUR CLIENTS ARE SAYING

We brought The Impec Group, Project Management Division on board late 2021 to partner with us on a large-scale project. We needed to prepare to have 1,000+ staff come into the office to pack up/purge/shred/trash, etc. as we were slowly beginning to prepare for employees return to work.

It was a daunting task, and we weren't sure where to begin. Add to the fact that this was during COVID and social distancing, it was a huge undertaking. The Impec Group team was amazing!
